Alison Lou

Longtime friends Alison Chemla and Sasha Bikoff designed the Alison Lou showroom together to create a beautifully eclectic space on the UES. The showroom was formed to inspire, create and explore. For maximum safety, clients must make an appointment before entering. Gold-accented walls complement pink and red furniture and vintage decor, such as a 1940s mirror, a disco dot rug and vintage lip-shaped couches. When in-store, you will find gorgeous Alison Lou earrings, rings, bracelets, necklaces and charms. 22 E. 65th St., 5th Floor, alisonlou.com

The Alison Lou showroom is a whimsical escape from reality with a noticeable, dreamy Sasha Bikoff flair.
