Instagramification

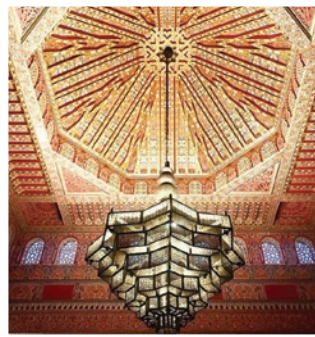

You're really going to ♥ Sasha Bikoff's design-world posts

#markbar designed by the legendary #jacquesgrange, this is the chicest watering hole in #manhattan

#prettyinpink sadly, the most charming little cottage in #bridgehampton was demolished

#stunningceiling I couldn't get enough of the hand-painted decor at this private residence in #marrakech

Sasha Bikoff

Peripatetic decorator Sasha Bikoff has built her career on color-filled, fashion-forward design. Follow @sashabikoff for more of her glam perspective

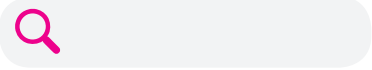

#stylesetter fashion doesn't get more glamorous than a vintage #pacorabanne dress

#portocervo bright and beautiful bougainvillea on Sardinia's #costasmeralda

#brimfield I scored a suite of colorful English apothecary jars at this year's antiques show
